LETTER FROM THE DIRECTOR

Dear Friends,

With spring in Cambridge, we welcome the vibrant sights and sounds of art making as part of the **8th Annual Cambridge Arts Open Studios, May 14-15, 12Noon - 6pm**. Our annual Open Studios celebrates the creative work of visual and performing artists and invites you to view and purchase this work in individual artist studios and Common Venues located in every neighborhood of the city!

2016 also marks the return of **Community Supported Art**, an award-winning program that operates much like the highly popular CSA shares – with a clever twist! Instead of enjoying a harvest share of meat, fish or vegetables, Community Supported Art provides an opportunity to directly support local artists by purchasing a share of original artwork made by a neighbor, friend and member of the Cambridge community. Shares are offered annually, so be sure to keep an eye out for information as they go quickly!

As always, we are enormously grateful for our local partners whose support allows this vibrant weekend to occur. In particular, an Open Studios must see is Lesley University's impressive new Lunder Arts Center in Porter Square. In addition to serving as a major sponsor and hosting a Common Venue for professional and student art exhibitions, Cambridge Arts is partnering with Lesley to bring **Irving Penn: Beyond Beauty**, an exciting retrospective exhibition currently on view at the Smithsonian American Art Museum in Washington, DC, to Cambridge.

Additionally, we have developed an exciting new partnership with Cambridge-based Yonward to provide a free location-aware mobile guide to assist you in navigating Open Studios. Download Yonward in the App Store or visit yonward.com to start exploring the arts in Cambridge! Visit our website cambridgeartscouncil.org to learn more about Open Studios, Yonward, our program partners, and, most importantly, the dazzling array of talented artists who live and work in Cambridge!

Start the fun early and join us as we kick off the weekend's activities with the Cambridge Arts Open Studios Launch Party at **Cambridge Art Association** on Thursday, May 12th at 6pm with a showcase featuring works for nearly all of this year's participating artists. Check out page 13 of this brochure for more information.

See you in the studios!

NAVIGATING CAMBRIDGE ARTS OPEN STUDIOS

Cambridge is big and there are so many studios, what do I do!?!?

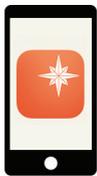

Not to worry, we are here to help!

There are many different ways to make your way around this exciting event.

For starters you can use this brochure or download Yonward on your smartphone and build your plan of attack!

Which artists do you want to visit, what art medium would you like to see or learn more about, are there particular neighborhoods that you would like to explore?

Once you know what you might like to see, you can chart a route for your day... or skip all that and let the studios lead you as they may!

Mobile Guide:

Download Yonward from the App Store or visit yonward.com to explore Open Studios on your smartphone. Browse the Cambridge Arts Open Studios guide to view artist portfolios and use your GPS location to discover which studios are around you, right now!

By Bike:

The Cambridge Bicycle Committee has created cycling routes connecting open studio locations. Please visit www.cambridgeartscouncil.org/openstudios for printable mini bike tours.

By Foot:

Cambridge is a pedestrian friendly city. Grab a friend and get some exercise while exploring the amazing artists and charming neighborhoods Cambridge has to offer.

By Public Transportation:

As always, MBTA subway stations are clearly marked on our map for your reference. Please contact the MBTA for details on bus stops and routes. www.mbta.com

By Car:

If none of these options work out for you or if you are coming from out of town, we have arranged for a few open parking zones around the city. Residential parking restrictions will be lifted, however, please note that meters are still in effect in these areas on Saturday.

Look for these areas on the maps. Maps can be found on page 6, 14, and 22/23.

Cambridge Arts does not discriminate on the basis of disability. The City of Cambridge will provide auxiliary aids and services, written materials in alternate formats, and reasonable modifications in policies and procedures to persons with disabilities upon request. All Cambridge Arts organized common venues are fully accessible.
