# 2019 OPEN STUDIOS SPONSORS

# LETTER FROM THE DIRECTOR

Dear Friends,

Fall is such a dynamic time in Cambridge with families and students returning for the new academic term, seasonal holidays, sports, and the changing leaves and transition to crisp fall weather! It is against this exciting backdrop that we once again welcome and celebrate the vibrant sights and sounds of our local artists for **Cambridge Arts Open Studios**. *This annual event highlights the creative work of visual and performing artists and invites YOU to experience – and purchase – that work first-hand in artist studios and group exhibitions in Common Venues throughout the city.*

Responding to feedback from our participating artists, in 2018 we moved the citywide event from the spring to the fall. The response was so positive that we will continue by making the fall dates and production a new tradition in Cambridge. For 2019, the event will take place on:

**Saturday, September 28th 12noon – 6pm & Sunday, September 29th 11am – 5pm**

2019 also marks the fifth year of Cambridge Arts Creative Marketplace, a program that builds on the successes of Open Studios and provides technical, marketing, and audience development opportunities for Cambridge-based artists. *Creative Marketplace* is a suite of initiatives designed to boost the visibility of the arts in Cambridge and drive local economic activity on their behalf. Keep an eye out for the CSArt logo  in the brochure to see which artists participated in the *Community Supported Art* program, a *Creative Marketplace* initiative modelled after an agricultural share. To learn more visit: [cambridgeartscouncil.org/creativemarketplace](http://cambridgeartscouncil.org/creativemarketplace)

As we embark on the 11th anniversary of *Cambridge Arts Open Studios*, it is more important than ever to acknowledge and celebrate the artists whose creativity and boundless passion and energy make Cambridge such a unique and special place to live, work, and visit. Make a point to visit the studios and Common Venues, meet the artists, and support their work so that artmaking in Cambridge continues to thrive and be a vital part of our community!

Let's also remember that *Cambridge Arts Open Studios* provides a wonderful opportunity to seek out unique gifts for friends, family, and loved ones as the holiday season approaches.

See you in the Studios!

Jason Weeks  
Executive Director  
Cambridge Arts Council

# NAVIGATING CAMBRIDGE ARTS OPEN STUDIOS

## Cambridge is big and there are so many studios, what do I do!?!?

### Not to worry, we are here to help!

There are many different ways to make your way around this exciting event.

For starters, you can use this brochure or look at the interactive map on our website to learn more about the participating artists and to plan your route!

Which artists do you want to visit? What art medium would you like to see or learn more about? Are there particular neighborhoods that you would like to explore?

Once you know what you might like to see, you can chart a route for your day, or skip all that and let the studios lead you as they may!

#### Online/Mobile Guide:

Explore Open Studios with an interactive map on your smart phone, computer, or tablet by visiting [www.cambridgeartscouncil.org/openstudios](http://www.cambridgeartscouncil.org/openstudios) and clicking on our "Open Studios 2019 Map"

#### By Bike:

Cambridge is a very bicycle-friendly city and Open Studios is a fun, enjoyable event to visit by bike. Please visit our website for tips. [Cambridgeartscouncil.org/openstudios](http://Cambridgeartscouncil.org/openstudios)

#### By Foot:

Cambridge is a pedestrian friendly city. Grab a friend and get some exercise while exploring the amazing artists and charming neighborhoods Cambridge has to offer.

#### By Public Transportation:

As always, MBTA subway stations are clearly marked on our map for your reference. Please contact the MBTA for details on bus stops and routes. [mbta.com](http://mbta.com)

#### By Car:

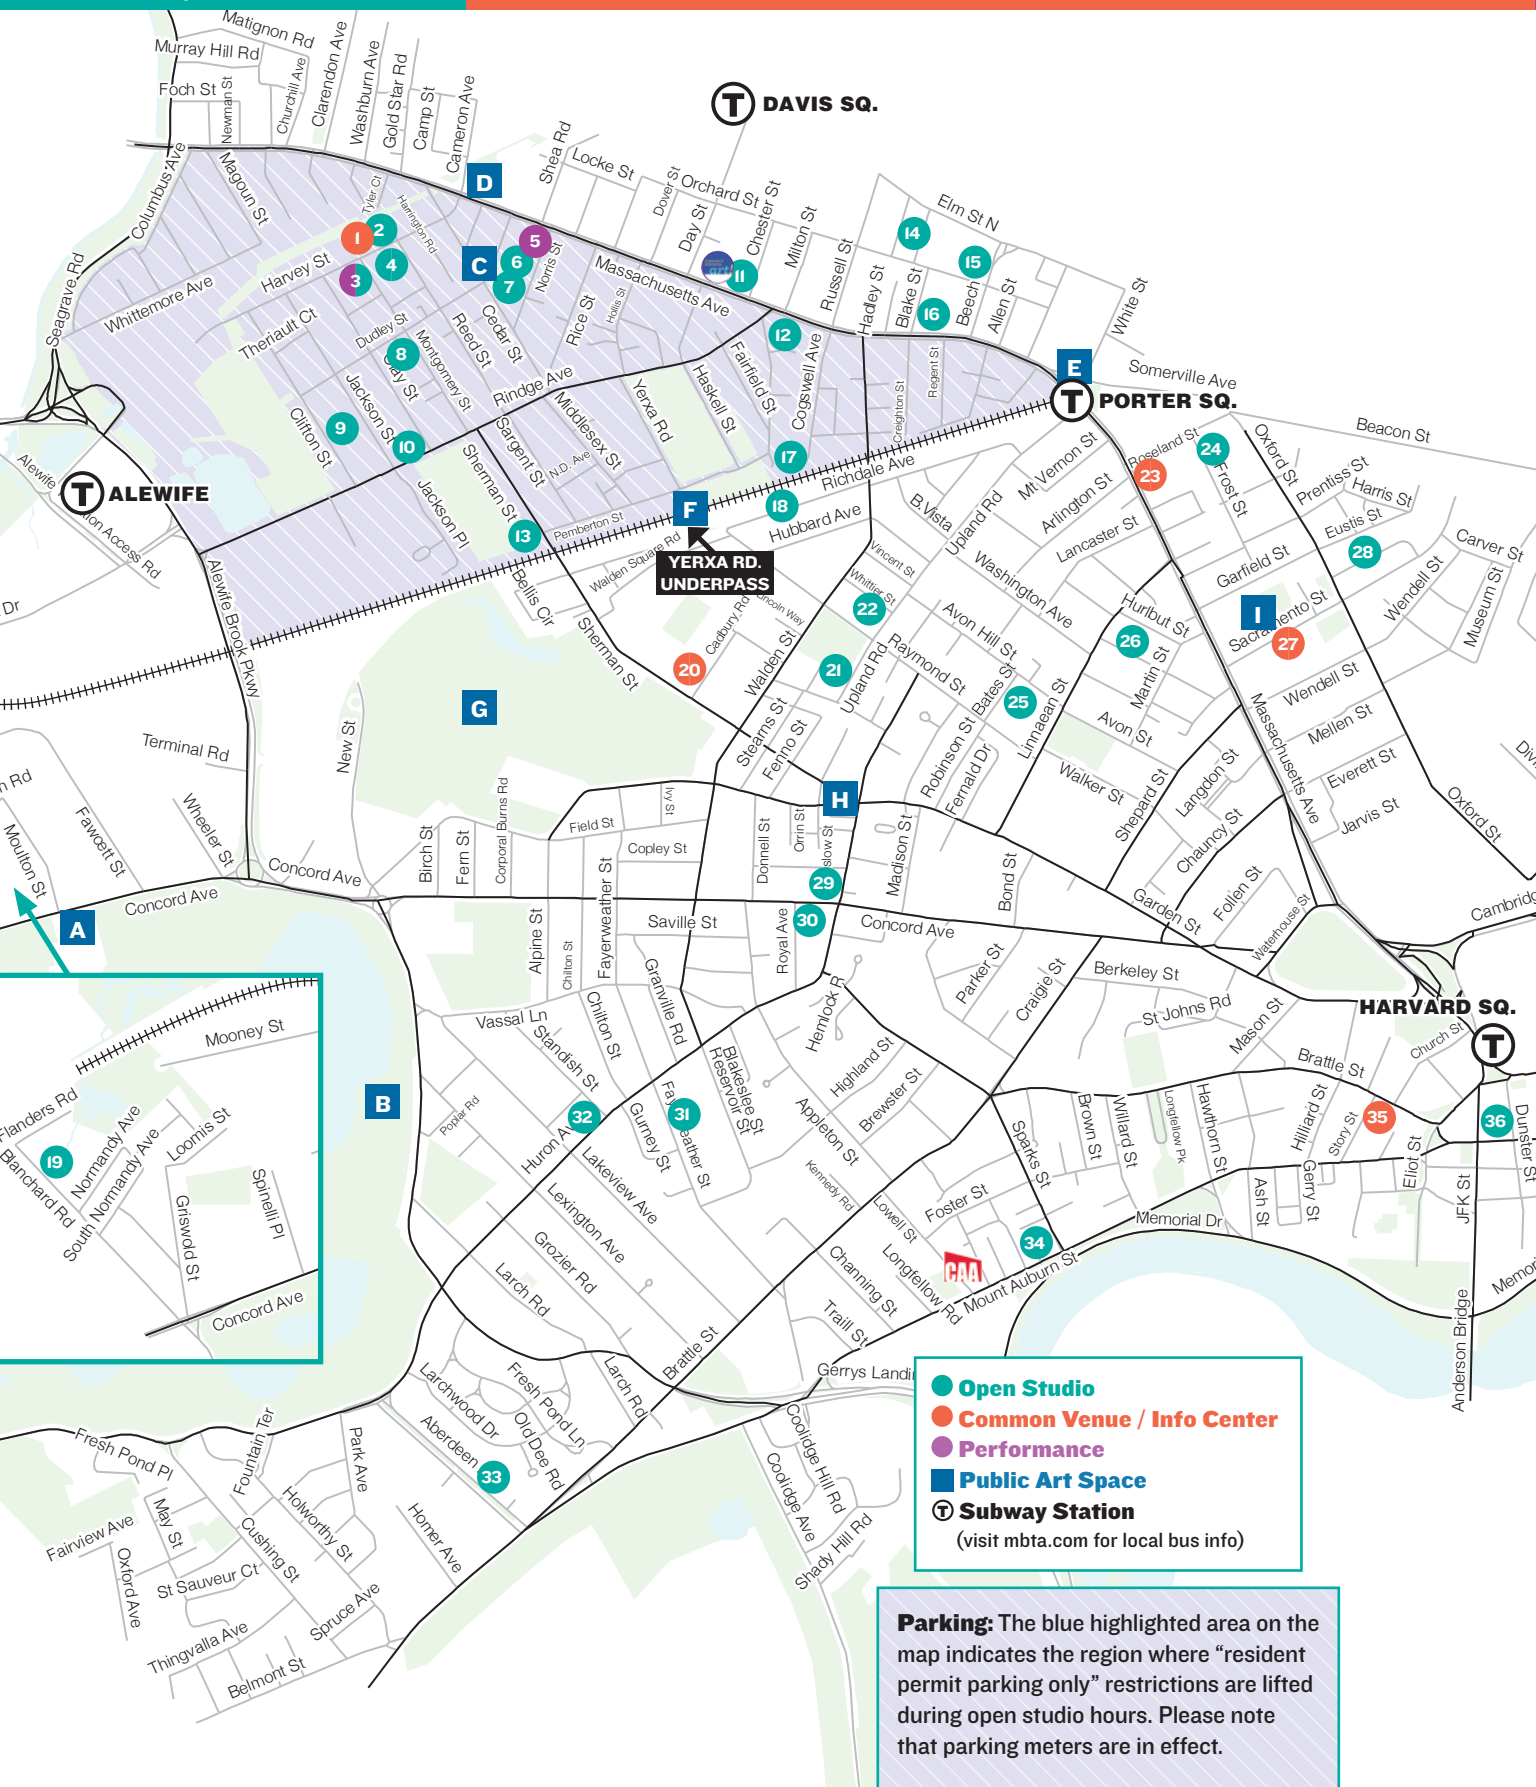

If none of these options work out for you or if you are coming from out of town, we have arranged for a few open parking zones around the city. Residential parking restrictions will be lifted there, however, please note that meters are still in effect in these areas on Saturday.

Look for these areas on the map. The map can be found on pages 6 and 7.

Cambridge Arts does not discriminate on the basis of disability. The City of Cambridge will provide auxiliary aids and services, written materials in alternate formats, and reasonable modifications in policies and procedures to persons with disabilities upon request. All Cambridge Arts organized common venues are fully accessible.
