Bruce A. Irving, Chair
Cambridge Historical Commission
831 Massachusetts Avenue
Cambridge, MA 02139

Dear Mr. Irving,

On behalf of Kirche LLC I would like to request a further continuance of the hearing for CHC Case #3897 through April 4, 2019. We are in the process of producing a simulated façade mock-up, which takes a few months to complete. We expect to have the mock-up by late January or early February and will invite all to a viewing on Church Street. This demonstration will be comprehensive and fully noticed. We understand the level of interest.

Our goal is to be back before the Commission for the continued hearing during the month of March.

Please call me with questions or concerns.

Very Truly Yours,
