**Bay State Road
Field Street
Eversource Work
&
ROADWAY RECONSTRUCTION
Beginning Thursday, May 19th**

Dear Residents/Business Owners,

Starting as early as **Thursday, May 19th** (weather permitting), Eversource Energy will begin chipping out an existing duct bank on Bay State Road and Field Street (Bay State to Alpine), in preparation for full depth roadway reconstruction. Immediately following Eversource’s work, the City’s contractor, P. Gioioso & Sons, Inc., will be undertaking **roadway reconstruction** of Bay State Road and Field Street (Bay State to Alpine). Surface reconstruction includes roadway demolition and base course paving. Final paving and curb & sidewalk reconstruction will occur at a later date, for which you will receive a separate notification.

This combined work is anticipated to take 8-10 weeks to complete, with areas being impacted intermittently during this time.

What to Expect During Surface Reconstruction:

- Construction hours are 7am to 4 pm.
- There will be **No Parking** allowed on the streets between the hours of 7 am and 4 pm. Please pay attention to posted signs.
- Inbound traffic (New Street toward Walden Street) will be maintained and outbound traffic will be detoured, between the hours of 7am and 4pm. Signage and police details will be onsite to assist traffic.
- When work occurs directly in front of driveways of entryways, the contractor will coordinate access directly with residents/businesses.
- Emergency vehicles will have access to all properties at all times.
- City services will continue uninterrupted.

For any special needs that you may have, contact KyAnn Anderson, Community Relations Manager, or questions about this works or other concerns, contact Mike Smith, Resident Engineer.

For weekly construction updates and potential schedule changes, please see the project website at: www.cambridgema.gov/theworks/ConcordArea
