RE: Huron B Sewer Separation Project

**UPDATE: ROAD CLOSURE**  
**Lakeview Avenue (Brattle to Huron)**

Dear Residents,

This notice is to provide an update regarding the water main work at the intersection of Huron Avenue and Lakeview Avenue. The City's contractor, Barletta Heavy Division, is making progress with the water main installation on Huron Avenue and will need to place steel plates in the roadway. In order to limit the noise impacts to local residents and keep cars off the steel plates, there will be an early road closure.

Beginning today, **March 25<sup>th</sup>, Lakeview Avenue (Brattle to Huron) will be closed for 24 hours a day, 7 days a week**. We anticipate this road closure will last 3 weeks, however, we will make every effort to minimize the length of time access to Lakeview Avenue (between Brattle and Huron) from Huron Avenue is impacted. We appreciate your continued patience and understanding during construction.

For questions about this work or if you have any special access needs, contact Bruno Cardarelli, Resident Engineer, or KyAnn Anderson, Community Relations Manager.

For weekly construction updates and potential schedule changes, please see the project website at: <http://www.cambridgema.gov/theworks/HuronB>.
