RE: Huron B Sewer Separation Project

ACCESS IMPACT NOTICE:

Dear Neighbor,

The City's contractor, Barletta Heavy Division, is scheduled to apply base course pavement to Huron Ave (Reservoir Street to Concord Ave) on **Tuesday, September 27th from 7AM to 7PM**. Please note, paving is weather permitting. Any changes to the schedule will be communicated via email.

To facilitate this work activity, access to side streets on the south side of Huron Ave will be limited during the paving operation on Tuesday, September 27th. Please pay attention to all "road closed" and "detour" signs. **For Sparks Street Traffic:** Starting at 9AM, please use Highland Street to access Sparks Street, traveling against the one way between Highland and Huron. (See MAP on back) Police details and signage will be in place to guide Sparks Street traffic during this detour.

NOTE: Paving dates are weather dependent. Any changes to the above schedule will be:

- Emailed to residents in our database (To sign up for email notifications, contact KyAnn Anderson)

What to Expect During Road Pavement Activities:

- There will be **No Parking** allowed on the street 24/7. We ask you to pay attention to all "No Parking" signs, which will be posted 24-hours in advance of this work.
- There will be **No Driveway Access** on Huron Ave (Reservoir to Concord) from **7am to 7pm** for the date noted above.
- Pedestrian traffic will be unimpeded along the existing sidewalks, with some restrictions at crossings.
- Two way traffic will be maintained on the north side of Huron Ave.
- Side street access will be temporarily impacted during this work.
- Emergency vehicles will have access to the roadways at all times.
- City services will continue uninterrupted.

If you have any questions about this work, please contact Bruno Cardarelli, Resident Engineer, or KyAnn Anderson, Community Relations Manager. For weekly construction updates and potential schedule changes, please see the project website at: **www.cambridgema.gov/theworks/HuronB**
