# APPLETON STREET CONSTRUCTION UPDATE

*Sewer work begins Tuesday, September 6*

Dear Appleton Street Neighbor,

As you know, the city's contractor, P Gioioso & Sons, has been working on pre-construction activities on Appleton St. On **Tuesday, September 6**, crews will begin sewer upgrades on Appleton St, between Highland St and Brattle St. We expect this phase of the construction to take about 3 weeks to complete. Crews will then begin the water upgrades once the sewer work is finished.

## **What to Expect during Sewer Work**

- Crews will begin sewer work on Tuesday, September 6.
- Work hours will be 7 AM to 4 PM, Monday through Friday (no work Monday, September 5).
- During work hours, Appleton St will be closed to through traffic but open to abutters, via intermittent detours.
- "No Parking" signs will be posted; please be sure to check dates/times.
- Pedestrian access and access into properties will be maintained at all times, but may be restricted in certain ways. All sidewalks will remain open.
- Emergency vehicles will have access at all times and all city services will continue.

## **For Information or Assistance**

If you have any questions regarding this work, please contact Kelly Dunn, Community Relations Manager at 617.349.4870/ [kdunn@cambridgema.gov](mailto:kdunn@cambridgema.gov) or Eric Breen, Project Engineer at 617.939.7420/ [ebreen@cambridgema.gov](mailto:ebreen@cambridgema.gov) . Please contact us if you have any special need or disability that requires special accommodations.

Thank you for your patience and understanding during these improvements.

Sincerely,

Kelly Dunn  
Community Relations Manager  
Cambridge Department of Public Works
