LONGFELLOW ROAD RECONSTRUCTION PROJECT

Neighborhood Walk Scheduled for Monday, April 9

Dear Neighbor,

As discussed at the March 21st Longfellow Road community meeting, city staff would like to walk Longfellow Road with residents to review the residential shared street design that was the preferred alternative at the meeting.

Please join us at the neighborhood walk to learn more about the project, including:

- How pedestrian access will work.
- Where street trees will be planted.
- Available areas for additional green space and the types of plantings that would work well in these areas.
- Discuss any other questions or thoughts about improvements for Longfellow Road.

OVERALL PROJECT GOALS

- Provide opportunities for street trees and other plantings.
- Improve deteriorating roadway and sidewalk infrastructure.
- Provide accessible route for pedestrians.
- Enhance the area for all users.

For any questions about the design, please contact Juan P. Avendano, Project Manager, 617.349.4655 or javendano@cambridgema.gov. To receive future updates via email, please contact Kelly Dunn, Community Relations Manager, at kdunn@cambridgema.gov or 617.349.4870.

Sincerely,

Kelly Dunn
Community Relations Manager
Department of Public Works

Additional Assistance

The City of Cambridge does not discriminate on the basis of disability and will provide auxiliary aids and services, written materials in alternative format, and reasonable modifications in policies upon request.

Neighborhood Walk

Date: Monday, April 9, 2012

Time: 6:30 – 8:00 pm

Location: Longfellow Rd @ Mt. Auburn St

In the event of inclement weather, please call Kelly Dunn at 617.349.4870 for additional information.
