Dear Residents,

Starting **Wednesday, April 27th** (weather permitting), the City's contractor, P. Gioioso & Sons, Inc., will be undertaking **roadway reconstruction** of Birch Street, Corporal Burns Road, and Fern Street. Surface reconstruction includes roadway demolition and base course paving. Final paving and curb & sidewalk reconstruction will occur at a later date, for which you will receive a separate notification. This combined work is anticipated to take 3-4 weeks to complete, with areas being impacted intermittently during this time.

What to Expect During Surface Reconstruction:

- Construction hours are 7am to 4 pm.
- There will be **No Parking** allowed on the streets between the hours of 7 am and 4 pm. Please pay attention to posted signs.
- Vehicle traffic will be excluded during roadway demolition and paving, between the hours of 7 am and 4 pm. Signage and police details will be onsite to assist traffic.
- When work occurs directly in front of driveways or entryways, the contractor will coordinate access directly with residents.
- Emergency vehicles will have access to all properties at all times.
- City services will continue uninterrupted.
