

FULKERSON STREET CONSTRUCTION UPDATE

Construction Resumes week of April 6

Dear Fulkerson Street Neighbor,

During the week of April 6, the city's contractor, D'Allessandro Corporation, will resume construction activities on Fulkerson St, between Cambridge St and Charles St. Remaining work includes drainage upgrades, sidewalk and roadway reconstruction, and final paving. We expect the work to take about 3 months to complete.

Project Schedule

- Crews will first complete drainage upgrades along Fulkerson St.
- Once crews complete the drainage work, crews will begin sidewalk reconstruction, followed by roadway reconstruction and final paving.
- Overall construction is expected to take 3 months to complete. We will continue to update neighbors as the work progresses.

What to Expect During Construction

- General work hours will be 7AM to 4 PM, Monday-Friday.
- "No Parking" signs will be posted at least 24 hours in advance of construction; please be sure to check posted signs for exact dates and times.
- When work occurs directly in front of driveways or entryways, the contractor will coordinate access directly with residents.
- City services will continue uninterrupted.

Information and Assistance

Please contact Chris Neil, Community Relations Manager at 617.349.4825/ cneil@cambridgema.gov for information or assistance during this project, including if you have any special need or disability that requires a special accommodation. ***In case of an emergency after hours or on weekends, please call the 24-Hour line at 617.349.4800.***

Thank you for your patience during this construction. We hope you enjoy these improvements once they are completed.

Sincerely,

Chris Neil, Community Relations Manager
Cambridge Dept. of Public Works
