## **DUNSTER STREET ROADWAY RECONSTRUCTION**

*Starts Monday, August 1*

As part of ongoing improvements, the City's contractor, D'Allessandro Corp., will begin reconstructing the surface of the roadway on Dunster St (Massachusetts Ave to Mt. Auburn St) on *Monday, August 1*, to prepare the street for paving. Work hours will be 7 AM to 5 PM, and Dunster St will be closed to through traffic during the work. We expect the work to take 2 days to complete.

### **What to Expect During Roadway Reconstruction**

- The road will be closed during work hours, and reopened at the end of the work day. All sidewalks will remain open.
- There cannot be any cars parked on the street during this work. Please be sure to check "No Parking" signs to avoid being ticketed and towed.
- Signage and police details will be in place to assist neighbors, but drivers are encouraged to seek alternate routes.

***Paving is tentatively scheduled for Wednesday, August 3. An additional notice confirming the paving date will follow.***
