

Community Meeting Notice

King Open and Cambridge Street Upper School & Community Complex

Dear Neighbor,

The City of Cambridge is currently in the process of developing a Feasibility Study for the reconstruction of King Open School on Cambridge Street. In January 2015, we held the first public meeting to seek feedback from the community on their design suggestions, as well as concerns about the project. If you were unable to attend the first public meeting, the meeting notes and presentation are available through the projects website.

On Thursday, March 26, the City of Cambridge will be hosting its second public meeting as part of the community process for the **King Open and Cambridge Street Upper School & Community Complex**. City staff and architects will be in attendance to lead the discussion. Below is a preview of the meeting's agenda:

- Introduction (includes project staff & scope of work)
- Recap of the 1st public meeting
- Overall project schedule
- Programming phase update
- Listening Session (site, building, neighborhood issues/opportunities)
