Riverside Place Reconstruction

Resumes Week of May 26, 2015

Dear Neighbor,

In association with the Western Avenue Reconstruction Project, the City's Contractor, D'Allessandro Corp., is expected to mobilize to Riverside Place during the week of May 25 to perform repairs to the sewer manhole and to begin to reconstruction the roadway, including the construction of the new planting beds. This phase of the project is expected to be completed within 3 weeks. Final roadway paving will take place this summer. **The contractor will NOT be working on Memorial Day (May 25, 2015).**

What to expect during construction

- General work hours will be from 7AM to 4PM, Monday thru Friday.
- "No Parking" signs will be posted at least 24 hours in advance of construction. Please be sure to check posted signs for exact date and times.
- Every effort will be made to limit the amount of noise generated, but excavators, saws and other equipment are required to complete the work.

For Information and Assistance During Construction

If you have any questions about the construction or need assistance, including if you have any special needs or disabilities that requires a special accommodation, please contact Chris Neil at (617) 349-4825 or cneil@cambridgema.gov. **In case of emergency, please call the Cambridge Public Works Department at 617-349-4800.**

Thank you in advance for your patience and understanding during this construction. We hope you enjoy these improvements once they are completed.

Sincerely,

A handwritten signature in black ink that reads "Chris Neil".

Chris Neil
