

EVER WONDER how many people come to Fresh Pond Reservation each day?

Come join us to find out!

We are looking for volunteers to help us count and identify user type:

- We'll train you & provide equipment
- Hours are very flexible, and no experience necessary.

A schedule of times and places on the Reservation where we are most interested in collecting information can be found in the Ranger Station at *250 Fresh Pond Parkway, Cambridge*.

Contact jcoffey@cambridgema.gov or call 617-349-7712 for more information.
