***NOTICE OF STREET CLOSURE
END OF CLARK STREET AT BROADWAY
November 13 and 14***

The City's contractor, D'Allesandro Corp., will be constructing a new raised crosswalk across Clark Street, along the south side of Broadway Street. **On Tuesday, November 13th & Wednesday, Nov 14th, the contractor will need to close the end of Clark Street on the south side of Broadway (*same side as Dunkin Donuts*) in order to complete the project.**

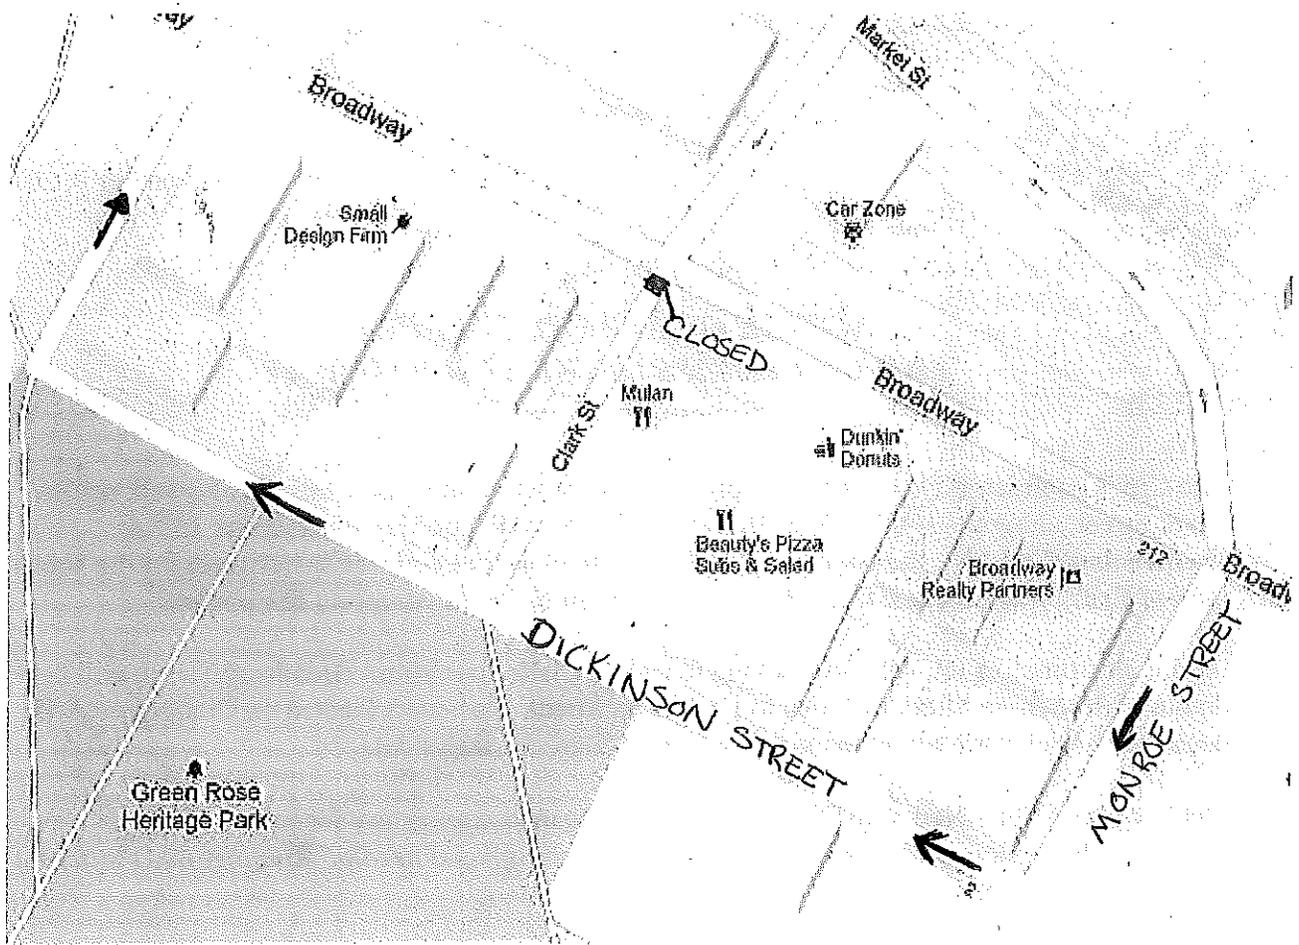

During this time period, vehicles seeking to access Clark Street from Broadway Street, will be detoured to Monroe Street and then to Dickinson Street. Residents located on Clark Street will need to use Dickinson Street to exit. (See detour Map on other side).

Please contact Chris Neil at (617) 349-4825 cneil@cambridgema.gov for information or assistance during this project, including if you have any *special need* or *disability* that requires a special accommodation.

Thank you in advance for your patience and understanding during this construction. We hope you enjoy these improvements once they are completed.

Sincerely,

Chris Neil
