

WALDEN SQUARE – PHASE II

Expanding A Successful Affordable Housing Community in Cambridge

Join us for our public meeting to discuss the redevelopment of Walden Square. Our team will provide updates and respond to public comments.

Due to an unforeseen area-wide power outage, the online portion of the originally scheduled hybrid meeting (July 12th) will now take place on Tuesday, August 1st at 6 p.m. via Zoom.

Members of the public are encouraged to attend and share opinions about this critically-needed affordable project.

PROJECT OVERVIEW

For more than 20 years, Walden Square has been an example of successful affordable housing in the City of Cambridge, providing 240 high quality apartment homes to individuals and families. WinnCompanies, the owner and manager of the property, is proposing to build an additional 95 units of much needed family-sized affordable housing within the current apartment complex. The two new buildings will create amenities for the existing Walden Square site and for the neighborhood at large, including improved pedestrian and bike circulation and site amenities.
