Ms. Mary T. Flynn, Chair
Cambridge Planning Board
344 Broadway
Cambridge, MA 02139

Dear Chairwoman Flynn,

Due to personal reasons, members of our project team are unable to attend the April 11th hearing at the Cambridge Planning Board for 6 Lilac Court.

The hearing was originally scheduled for the March 14th Planning Board meeting, which was cancelled due to weather. The only available subsequent date within the 65-day period from our application date was April 11th, which unfortunately presented scheduling conflicts for our project team.

We therefore respectfully request that the public hearing be opened at the April 11th meeting and continued to a later date.

Thank you for your consideration.

Sincerely,

Zi Wang & Yuliang Leon Sun
