RE: Residential Development at 70 Fawcett Street, New Boston Fund.

Dear David,

On March 5, 2008 we received your Transportation Impact Study (TIS) for the proposed residential development at 70 Fawcett Street by New Boston Fund. The proposed project consists of 260 residential units and 286 parking spaces.

On March 25, 2008, we requested a few corrections to your TIS. We received your updated TIS on April 7, 2008 and based on staff review, we certify your TIS as complete and reliable.

Please call me if you have any questions.

Sincerely,

Susan Clippinger
Director
