RE: Residential Development at 70 Fawcett Street, New Boston Fund.

Dear Susan,

We have completed our review of your June 15, 2007 revised Transportation Impact Study (TIS) for the Proposed Residential Development at 70 Fawcett Street by New Boston Fund. The study includes revisions to the original TIS, which were made in response to our April 30, 2007 and June 7, 2007 comment letters. Based on staff review, your TIS is certified as complete and reliable.

Please call me if you have any questions.

Sincerely,

Susan Clippinger
Director
