Re: Planning Board Case PB-238 Project Update – 610 Main Steet, Cambridge, MA

Ms. Joseph,

This letter is regarding the proposed Citizens bank branch at the corner within the complex at 610 Main Street. With consideration to the input provided by the CDD during the Advisory meeting held on October 6th, 2022, Citizens and the design team have made modifications to the proposed exterior signage. We understand the importance of maintaining the integrity of the building store fronts as originally approved in PB-238 and have removed the proposed green band in the storefront spandrel as well as the lightbars. In addition, the storefront representation has been updated to match the actual conditions. Please see the attached presentation with these adjustments represented.

The proposal for a bank to be placed at this location is to provide bank services closer to the Kendall Square T-Station and the MIT campus. This section of Main Street features mostly food services (restaurants, café's, etc.) on the ground floor and upper floors of business spaces and housing. Providing a small retail bank footprint allows for local customers to complete needed transactions as well as providing transaction services for the local businesses.

In addition to the presentation, we are including a letter from the building owner supporting our use of the space. We have also attached a link to our updated drawings for your reference.

We appreciate the CDD input into our planned project and look forward to your direction regarding the next steps in the process to complete our permit review. Please contact Maddie LeBlanc or myself if you have any questions or concerns with what has been provided.

Sincerely,

Erin K. D'Allesandro

RE: 610 Main Street, Cambridge, Massachusetts

Ladies and Gentlemen:

On behalf of 610 Main Street North Leasehold LLC, ownership of the building located at 610 Main Street in Cambridge, please accept this letter of support for Citizens Bank's proposed use for the approximately 2,000 square foot, ground level suite located at the corner of Main Street and the private way abutting 700 Main Street. The bank will provide a complimentary use to the two existing restaurants, Café Luna and Sulmona, and the Revela Salon.

We look forward to welcoming Citizens Bank to 610 Main Street and activating this corner of the building.

Sincerely,

Matt DeNoble
