## MEMORANDUM

**To:** Cambridge Planning Board  
**From:** Joseph E. Barr, Director   
**Date:** October 13, 2016  
**Re:** 300 Putnam Avenue & 357-363 Allston Street (PB#317)

---

The Traffic, Parking & Transportation (TP&T) Department has reviewed the site plan for the proposed 300 Putnam Avenue & 357-363 Allston Street project which we recently received.

Based on our review, we have safety concerns about the curb cut within the intersection of Putnam Avenue and Allston Street. We also would like to see additional details for the proposed short-term and long-term bicycle parking.

TP&T will work with the applicant on their curb cut location and access and egress for the site, as well as other aspects of their project.
