

CITY OF CAMBRIDGE, MASSACHUSETTS

# PLANNING BOARD

CITY HALL ANNEX, 344 BROADWAY, CAMBRIDGE, MA 02139

2020 JAN 29 PM 12:38  
OFFICE OF THE CITY CLERK  
CAMBRIDGE, MASSACHUSETTS

## NOTICE OF DECISION

Case Number:	352
Address:	31 Church Street
Zoning:	Business A District (BA) / Harvard Square Overlay District
Applicant:	Charles River Remedies LLC 31 Church Street Cambridge, MA 02138
Owner:	JAC Cambridge Nominee Trust P.O. Box 590-104, Newton Center, MA 02459
Application Date:	August 23, 2019
Date of Planning Board Public Hearing:	September 17, 2019, December 10, 2019
Date of Planning Board Decision:	December 10, 2019
Date of Filing Planning Board Decision:	January 29, 2020
Application:	Request for special permits for Charles River Remedies LLC, pursuant to Sections 11.800 and 10.43 of the Zoning Ordinance to operate a cannabis retail store occupying approximately 1,366 square feet in the first floor and basement of the existing building at 31 Church Street.
Decision:	GRANTED, with Conditions.

Appeals, if any, shall be made pursuant to Section 17 of Massachusetts General Laws, Chapter 40A, and shall be filed within twenty (20) days after filing of the above referenced decision with the City Clerk. Copies of the complete decision and final plans, if applicable, are on file with the Community Development Department and the City Clerk.

Authorized Representative of the Planning Board: Swaathi Joseph

For further information concerning this decision, please contact Liza Paden at 617-349-4647, or [lpaden@cambridgema.gov](mailto:lpaden@cambridgema.gov).

## **DOCUMENTS SUBMITTED**

### Application Documents and Supporting Material

1. Special Permit Application submitted on 8/23/19, including, *inter alia*, Application Forms, Project Narrative, Description of Activities, Transportation Logistics Plan prepared by Vanasse & Associates, Inc., dated 8/30/19, Community Outreach Summary, Dimensional Form, plan set prepared by David Barsky Architect, dated 6/14/19.
2. Presentation slides shown to Planning Board on 9/17/19.
3. Revised materials dated 10/25/19, including, *inter alia*, Updated Project Narrative, Description of Activities, Transportation Logistics Plan prepared by Vanasse & Associates, Inc., dated 10/25/19, and plan set prepared by David Barsky Architect, dated 10/25/19.
4. Presentation slides shown to Planning Board on 12/10/19.

### City of Cambridge Documents

5. Memorandum from Community Development Department (“CDD”) staff dated 9/10/19.
6. Memorandum from Joseph E. Barr, Director of Traffic, Parking and Transportation, dated 9/12/19.
7. Memorandum from Community Development Department staff dated 11/25/19.
8. Memorandum from Joseph E. Barr, Director of Traffic, Parking and Transportation, dated 11/27/19.

### Other Documents

9. Letter to the Planning Board from the Harvard Square Advisory Committee, dated 5/6/19.
10. Email communication from Suzanne Preston Blier, dated 9/16/19.
11. Email communication from Gilberte Houbart, dated 9/16/19.
12. Email communication from Catherine Hammond, dated 9/18/19.
13. Email communication from Susan Paine, dated 9/23/19.

## **APPLICATION SUMMARY**

The Applicant, Charles River Remedies LLC (the “Applicant”), is proposing to operate a retail cannabis store at 31 Church Street, in Harvard Square. Leah Samura has received approval from the Cannabis Control Commission as an Economic Empowerment Applicant, pursuant to Application Number EEA202142 (the “EE Applicant”), and is a Controlling Person, as defined in 935 CMR 500.002, in Charles River Remedies LLC. No cultivation, processing or packaging will occur on site. The Applicant proposes to renovate 1,366 square feet on the first floor and basement of the existing building to include sales space, storage, and offices. The site is in the Business A Zoning District and within the Harvard Square Overlay District. The proposed facility will be designed and operated in accordance with state and local regulations for Cannabis Retail Stores and will be subject to oversight by the Massachusetts Cannabis Control Commission. The Applicant has received an Economic Empowerment Applicant designation from the Cannabis Control Commission. Loading and deliveries are proposed to be provided by secure vehicles through the main entrance and utilize the existing loading zone area on Church Street.

## FINDINGS

After review of the Application Documents and other documents submitted to the Planning Board, testimony given at the public hearing, and review and consideration of the applicable requirements and criteria set forth in the Zoning Ordinance with regard to the relief being sought, the Planning Board makes the following Findings:

### 1. Approval of a Cannabis Retail Store (Section 11.800)

The proposed site is located within the Business A District (BA). The Planning Board may grant a special permit approving a Cannabis Retail Store within this district upon finding that the proposal meets the criteria set forth in Section 11.800. The Board finds that these criteria are met, for the reasons set forth below.

#### *11.803 Location Standards.*

##### *11.803.1 Cannabis Retail Stores.*

*(a) Cannabis Retail Stores shall be allowed only by Planning Board Special Permit within the following districts: Business A (BA), Business A-1 (BA-1), Business A-2 (BA-2), Business A-3 (BA-3), Business B (BB), Business B-1 (BB-1), Business B-2 (BB-2), Business C (BC), Industry A-1 (IA-1), Industry B (IB), Industry B-1 (IB-1), and Industry B-2 (IB-2) districts, and special districts and overlay districts whose use regulations are based on those of any of the aforementioned districts, subject to any limitations set forth in the regulations of those districts. In the Business A-1 district, only applicants that have been designated as Economic Empowerment Applicants or certified as eligible to participate in the Social Equity Program by the Massachusetts Cannabis Control Commission may be permitted and it shall be made a condition of the special permit that such designation or eligibility shall be maintained.*

The site is within the Business A district, where Cannabis Retail Stores are allowed under current zoning.

*(b) A Cannabis Retail Store shall not be permitted within one thousand and eight hundred (1,800) feet of another Cannabis Retail Store, except if the applicant has been designated as an Economic Empowerment Applicant or certified as eligible to participate in the Social Equity Program by the Massachusetts Cannabis Control Commission and it is made a condition of the special permit that such designation or eligibility shall be maintained.*

This site is within 1,800 feet of the location of a previously permitted Cannabis Retail Store, specifically a Registered Cannabis Dispensary at 98 Winthrop Street. However, since the applicant is an Economic Empowerment Applicant, the 1,800 foot separation requirement does not apply.

*(c) All products offered to consumers shall be pre-packaged off-site, and no packaging or repackaging of cannabis or marijuana products shall take place on the premises of a*

*Cannabis Retail Store unless it is also meets the requirements for a Cannabis Production Facility.*

All products are pre-packaged at the cultivation facility. No cultivation, packaging, or re-packaging is proposed at the Cannabis Retail Store.

*11.803.3 Buffer Zones.*

*(a) A Cannabis Retail Store or Cannabis Production Facility shall not be permitted within 300 feet of a pre-existing public or private school providing education in kindergarten or any of grades one through 12, except where the Planning Board, in issuing a special permit, approves a reduced distance upon finding that the location will cause no substantial adverse impact due to site-specific factors or other mitigating efforts agreed to in writing by the permittee and made conditions of the special permit.*

The Application Documents indicate that there are no public or private K-12 schools within 300 feet of the proposed location.

*(b) A Cannabis Retail Store or Cannabis Production Facility shall not be permitted within 300 feet of a pre-existing public children's playground, public youth athletic field, or public youth recreation facility, except where the Planning Board, in issuing a special permit, approves a reduced distance upon finding that the location will cause no substantial adverse impact due to site-specific factors or other mitigating efforts agreed to in writing by the permittee and made conditions of the special permit.*

The Application Documents indicate that there are no public children's playgrounds, public youth athletic fields, or public youth recreation facilities within 300 feet of the proposed location.

*11.805 Special Permit Criteria. In granting a special permit for a Cannabis Retail Store or Cannabis Production Facility, in addition to the general criteria for issuance of a special permit as set forth in Section 10.43 of this Zoning Ordinance, the Planning Board shall find that the following criteria are met:*

*(a) The site is designed such that it provides convenient, safe and secure access and egress for customers and employees arriving to and leaving from the site using all modes of transportation, including drivers, pedestrians, bicyclists and public transportation users.*

Transportation logistics plans prepared by Vanasse & Associates, Inc. have been provided with the Application, and have been reviewed by the Traffic, Parking and Transportation Department ("TP&T"). While there is limited data about traffic generated by a Cannabis Retail Store, the expectation is that the traffic will not be significantly greater than that of a typical retail establishment of similar size and should have minimal impacts on transportation in the Harvard Square area. The proposed Cannabis Retail Store is located in a predominantly commercial district that supports retail establishments of this scale. The Applicant has committed to submitting an operations plan for approval by TP&T staff and to implementing both transportation demand management ("TDM") measures and a monitoring

program of employee and customer visits as well as loading and pick-up activities of this project to mitigate any unexpected transportation impacts. The Applicant has also proposed programmatic strategies, including an appointment system, to reduce the potential for queuing.

The entrances and exits to the proposed Cannabis Retail Store will remain in their existing locations, including access for persons with disabilities. The Board recognizes that entrances and routes of travel may be subject to applicable accessibility codes and may require seeking variances from the Massachusetts Architectural Access Board.

*(b) On-site loading, refuse and service areas are designed to be secure and shielded from abutting uses.*

Loading and trash management are proposed to be in the service area inside the building and accessed through the service entrance on the public passageway to the public parking lot. This provides adequate security and minimum impact on abutting uses. The dumpster area in the parking lot is proposed to be improved with landscape treatment.

*(c) The building and site have been designed to be compatible with other buildings in the area and to mitigate any negative aesthetic impacts that might result from required security measures and restrictions on visibility into the building's interior.*

The Cannabis Retail Store will be sited in an existing building with other retail uses. The proposed storefront design will retain the existing transparent bay window and the existing entry doors. The proposed signage and treatment of the doors and window will provide interesting street frontage while meeting the state's security requirements.

*(d) In retail areas, the location and design of the Cannabis Use will not detract from the sense of activity with opaque, unwelcoming façades at the ground floor. Where interior activities must be screened from public view, such areas should be screened by transparent, publicly accessible active business uses where possible. Opaque façades should be minimized, and where they are necessary they should include changing public art displays or other measures to provide visual interest to the public.*

The customer entry door will incorporate glazing and will be well lit, both as an aesthetic contribution to the street, and for improved security. Public views to interior activities will be creatively screened by a glass block/brick screen to be located in the bay window. The screen will be designed to provide space for curated window displays, and due to its translucent character, will allow light into the interior of the store. The combination of window displays, creative screen design and signage is expected to provide visual interest to passersby.

*(e) If the proposed Cannabis Retail Store or Cannabis Production Facility is not proposed to include a Medical Marijuana Treatment Center, it will nevertheless provide programs to assist qualifying patients within the city or neighborhood who are registered through the Massachusetts Medical Use of Marijuana Program in obtaining services under that program.*

The proposed Cannabis Retail Store initially will not include a medical treatment center. However, it will assist and consult with registered medical patients to access services through the Massachusetts Medical Use of Marijuana Program.

2. General Criteria for Issuance of a Special Permit (10.43)

The Planning Board finds that the proposal meets the General Criteria for Issuance of a Special Permit, as set forth below.

*10.43 Criteria. Special permits will normally be granted where specific provisions of this Ordinance are met, except when particulars of the location or use, not generally true of the district or of the uses permitted in it, would cause granting of such permit to be to the detriment of the public interest because:*

*(a) It appears that requirements of this Ordinance cannot or will not be met, or ...*

With the requested special permit, the requirements of the Ordinance will be met.

*(b) traffic generated or patterns of access or egress would cause congestion, hazard, or substantial change in established neighborhood character, or ...*

As set forth above in these findings, the proposed use is not expected to adversely impact traffic patterns or the retail-oriented character of the area in general. The Applicant has agreed to implement measures recommended by TP&T to mitigate adverse transportation impacts.

*(c) the continued operation of or the development of adjacent uses as permitted in the Zoning Ordinance would be adversely affected by the nature of the proposed use, or ...*

The proposed Cannabis Retail Store will be located in a business zoning district characterized by similar types of retail establishments and will be operated in accordance with applicable state and local regulations for that use. Therefore, the proposed use and location will not adversely impact adjacent uses.

*(d) nuisance or hazard would be created to the detriment of the health, safety and/or welfare of the occupant of the proposed use or the citizens of the City, or ...*

The proposed Cannabis Retail Store will be operated in accordance with applicable health and safety regulations, as well as state and local regulations particular to cannabis retail stores, which are specifically intended to prevent nuisance or hazard.

*(e) for other reasons, the proposed use would impair the integrity of the district or adjoining district, or otherwise derogate from the intent and purpose of this Ordinance, and ...*

The site is located within the Business A District, which allows Cannabis Retail Stores, as authorized in a zoning amendment adopted by the City Council in 2018. The Applicant is also an Economic Empowerment Applicant, which the zoning is intended to support.

- (f) the new use or building construction is inconsistent with the Urban Design Objectives set forth in Section 19.30.*

The proposed new use will minimally impact the design of the building, and all exterior alterations will be conducted in accordance with applicable zoning and other regulations for Cannabis Retail Stores. The proposal is subject to continued design review to include door and window treatments that activate street frontage and promote transparency as much as possible. No new exterior mechanical systems are proposed. The building is not a contributing structure in the Harvard Square National Register District; however, since the site is located in the Old Cambridge Historic District, the exterior alterations fall under the purview of the Cambridge Historical Commission (“CHC”). After receiving an application for a Certificate of Appropriateness, CHC will determine the level of review required. All exterior alterations will be subject to ongoing review by CHC and Community Development Department (“CDD”) staff, where applicable. Therefore, the Board finds no inconsistency with applicable urban design objectives.

## DECISION

Based on a review of the Application Documents, testimony given at the public hearings, and the above Findings, the Planning Board hereby GRANTS the requested Special Permit, subject to the following conditions and limitations.

1. This special permit shall authorize only Charles River Remedies, LLC (the “Permittee”) to establish and operate a Cannabis Retail Store at 31 Church Street, Cambridge, in substantial conformance with the Application Documents and supplemental documents and information submitted by the Applicant to the Planning Board as referenced above. This Cannabis Retail Store is permitted to operate only as a Cannabis Retailer. No other type of cannabis establishment is hereby permitted. Any activity that involves the cultivation, processing, manufacturing, packaging, storage, transportation, or use of cannabis products shall require an amendment to this special permit, and shall require compliance with all applicable state and local regulations for such activity.
2. The Permittee shall maintain all required state and local licenses and/or registrations and comply with all applicable state and local public health regulations and all other applicable laws, rules and regulations at all times. The Permittee shall execute a Host Community Agreement with the City of Cambridge pursuant to the regulations of the Massachusetts Cannabis Control Commission (“CCC”) and shall have received a Cannabis Business Permit pursuant to the Cambridge Cannabis Business Permitting Ordinance prior to the issuance of a Certificate of Occupancy.
3. This special permit shall be valid only for the approved 31 Church Street site. Furthermore, the special permit shall only be valid for the original Applicant and the original Economic Empowerment Applicant (“EE Applicant”) and shall expire on the date the Permittee either ceases operation of a Cannabis Retail Store, or the Permittee’s License or Certificate of Registration expires or is terminated by the CCC. Any change in the majority ownership of the Cannabis Retail Store from the original application, including without limitation a takeover, merger, sale of assets and equity, or sale to another entity resulting in a majority of the individuals initially disclosed under 935 CMR 500.002 as Controlling Persons failing to maintain a controlling equity interest, shall be reported to the Commissioner of Inspectional Services Department (“ISD”) for purposes of determining whether the change in ownership requires a new special permit or modification of the existing permit for the succeeding owner of the Cannabis Retail Store.
4. The Permittee shall maintain its designation as an Economic Empowerment Applicant pursuant to the regulations of the CCC to remain in compliance with Section 11.803.1, Paragraph (b), of the Zoning Ordinance at all times.
5. Alterations to the building shall occur in substantial conformance with the building plan set prepared by David Barsky Architect, dated 10/25/19, and the presentation to the Planning Board on 12/10/19. The project shall be subject to continuing design review by the Community Development Department (“CDD”). Before issuance of each Building Permit for the project, CDD shall certify to the Superintendent of Buildings that the final plans

submitted to secure the Building Permit are consistent with and meet all conditions of this Decision. As part of CDD's administrative review of the project, and prior to any certification to the Superintendent of Buildings, CDD may present any design changes made subsequent to this Decision to the Planning Board for its review and comment.

6. The Permittee shall address the following design comments through the continuing design review process set forth above. Each of the below items shall be subject to CDD review and approval of the final design details prior to issuance of a Building Permit:
  - a. Revisions to the interior layout plan to accommodate staff access behind the counters to the service areas and access to the window display area.
  - b. Any revisions required by the Massachusetts Architectural Access Board to accommodate disabled access.
  - c. All exterior materials, colors, façade alterations and details.
  - d. Treatment of display windows and entry doors, including proposed lighting and options for the administration and curation of displays.
  - e. Location of any mechanical equipment on the rooftop, façade or exterior of the building.
  - f. All exterior signage, lighting, and other security features that may be required by state regulations. To the extent possible, any proposed outdoor lighting shall be designed to conform to the guidelines recommended in the proposed Cambridge Outdoor Lighting Ordinance.
7. The Permittee shall coordinate with the Department of Public Works regarding any planned reconstruction of public spaces adjacent to the site.
8. The permitted operating hours of the approved Cannabis Retail Store shall be between 10:00 AM and 11:00 PM daily.
9. The Permittee shall submit an operations plan to the Traffic, Parking and Transportation Department ("TP&T") for approval prior to issuance of a Building Permit. The operations plan shall include details regarding management of sidewalk crowding while maintaining safety and access to adjacent buildings and transit as well as management of vehicle drop-off/pick-up around the site.
10. In order to meet the requirement for short-term bicycle parking spaces, the Permittee shall make a contribution to the City's Bicycle Parking Fund in accordance with Section 6.104.2-b of the Zoning Ordinance equivalent to the amount necessary to provide two (2) bicycle parking spaces or one (1) bicycle rack. The Permittee shall either identify 2 long-term parking spaces in the vicinity for the employees or provide additional contribution to the

City's Bicycle Parking Fund to cover the cost of 2 such spaces. Such contribution shall be made prior to the issuance of an Occupancy Permit.

11. The Permittee shall contribute \$35,000 to the City toward transportation, parking, transit and/or bicycle improvements to support non-automobile travel modes for employees and customers and to mitigate the Project's traffic and parking impacts on the surrounding area. Half of this contribution shall be made prior to the issuance of a Building Permit and the other half of the contribution shall be made prior to the issuance of a Certificate of Occupancy.
12. The Permittee shall be required to implement a transportation demand management ("TDM") program and a transportation monitoring and reporting program including, at a minimum, the following measures, which shall be certified by the TP&T and CDD prior to issuance of a Certificate of Occupancy for the approved Cannabis Retail Store.
  - a. Provide 100% MBTA T-Pass subsidies to all employees (may be pro-rated for part-time employees). The program shall be administered by the employer through the MBTA Corporate Pass/Perq Program.
  - b. Offer all employees Gold Level Bluebikes bikeshare membership; to be administered through the Bluebikes Corporate Program by the employer.
  - c. Provide lockers for employees that walk or bike to work.
  - d. Have available an air pump and bicycle repair tools for employees and customers to use when needed.
  - e. Designate an employee of the facility as a Transportation Coordinator ("TC") to manage the implementation of the TDM measures and a transportation monitoring program. The TC shall:
    - i. Post in a central and visible location (i.e. lobby for customers, break room for employees) information on available non-automobile services in the area, including, but not limited to:
      1. Available pedestrian and bicycle facilities in the vicinity of the Project site.
      2. MBTA maps, schedules and fares.
      3. "Getting Around in Cambridge" map (available from CDD).
      4. Locations of bicycle parking.
      5. Bluebikes regional public bikeshare system.
      6. Carpool-matching programs.
      7. Other pertinent transportation information.
        - Instead of or in addition to posting paper MBTA schedules, provide a real-time transportation display screen in a central location to help people decide which mode to choose for each trip.

- ii. Compile up-to-date transportation information explaining all commuter options and provide to all employees. This information should also be distributed to all new employees as part of their orientation.
  - iii. Provide or describe to customers information on transportation options to access the site.
  - iv. Provide and maintain information on the Project's website, newsletters, social media, etc., on how to access the site by all modes, with emphasis on sustainable modes.
  - v. Participate in any TC training offered by the City of Cambridge or a local Transportation Management Association.
  - vi. If requested by TP&T or CDD, the Permittee shall provide information on employees and customer travel modes and where they customarily park, as well as information on loading and service delivery operations. Surveys of employees and customers shall be designed and conducted in a manner approved by TP&T and CDD.
13. The Permittee shall provide a loading and service delivery management plan that includes all delivery activities to TP&T for approval prior to issuance of a Building Permit.
14. The Cannabis Retail Store at 31 Church Street shall not be used as a distribution point for home deliveries.
15. Prior to issuance of a Certificate of Occupancy for the approved Cannabis Retail Store, CDD shall certify to the Superintendent of Buildings that all Conditions of this Special Permit Decision are met.
16. All authorized development shall abide by all applicable City of Cambridge Ordinances, including the Noise Ordinance (Chapter 8.16 of the City Municipal Code).

Voting in the affirmative to GRANT the Special Permits were Planning Board Members Louis Bacci, H Theodore Cohen, Steven Cohen, Hugh Russell, and Tom Sieniewicz, constituting at least two thirds of the members of the Board, necessary to grant a special permit.

For the Planning Board,

A handwritten signature in black ink, appearing to read "H Theodore Cohen". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

H Theodore Cohen, Vice Chair.

A copy of this decision PB #352 shall be filed with the Office of the City Clerk. Appeals, if any, shall be made pursuant to Section 17, Chapter 40A, Massachusetts General Laws, and shall be filed within twenty (20) days after the date of such filing in the Office of the City Clerk.

ATTEST: A true and correct copy of the above decision has been filed on January 29, 2020 with the Office of the City Clerk, by Swaathi Joseph, duly authorized representative of the Planning Board. All plans referred to in the decision have been filed with the City Clerk on said date.

Twenty days have elapsed since the above decision was filed in the office of the City Clerk and:  
\_\_\_\_\_ no appeal has been filed; or  
\_\_\_\_\_ an appeal has been filed within such twenty days.

The person exercising rights under a duly appealed special permit does so at risk that a court will reverse the permit and that any construction performed under the permit may be ordered undone. This certification shall in no event terminate or shorten the tolling, during the pendency of any appeals, of the periods provided under the second paragraph of G.L. c. 40A, §6.

Date: \_\_\_\_\_, City Clerk

Appeal has been dismissed or denied.

Date: \_\_\_\_\_, City Clerk
