- Application for Certificate of Nonapplicability  
Cambridge Historical Commission  
15 February 2017

190 Brattle Street  
Cambridge, Massachusetts

The proposed exterior work to 190 Brattle Street is limited to the rear (south facing) elevation.

1. Remove existing glass and metal greenhouse and concrete block knee wall. Construct a conservatory/yoga studio on the existing greenhouse foundation (plan dimensions to be identical to the greenhouse). Proposed studio structure to be painted wood frame with large operable and fixed insulating glass panels. Roof to be slightly pitched dark gray pvc membrane. See drawings for height comparison.
2. Remove three single light glass door panels from current dining room south elevation. Replace with three painted wood single light double hung windows.
3. Remove four single light glass door panels with transoms above from current kitchen. Replace with three painted wood single light glass door panels.

Please let me know if there is any other information required.

Thank you.  
Hart Associates Architects, Inc.
