# Petition to Designate the Sunset Café building as a Cambridge Landmark

**Petition summary and background**  
 This is a petition to designate the building at 855 and 851 Cambridge Street a historic landmark. The process of designating a Cambridge Landmark may begin by petition of at least ten registered voters to the Historical Commission requesting that the Commission initiate a landmark designation study process. The Commission staff then prepares a report on the proposed landmark, detailing its significance, developing boundaries and standards for the property, and, if justified, recommending a landmark designation order.

**Action petitioned for**  
 We, the undersigned, are concerned citizens who urge our leaders to act now to designate 855 and 851 Cambridge Street, including the Sunset Café, a historic Cambridge Landmark. Per the Cambridge brochure on landmarks, the purpose of landmark designation is "to preserve, conserve and protect the beauty and heritage of the City of Cambridge. As 855 Cambridge Street and the Sunset Café is one of the original buildings on Cambridge Street we would like to see it preserved."

Good morning Charles and Sarah,

I hope all is well with you today.

About a week ago Sarah contacted me with the good news that this committee will consider the petition to mark the Sunset Café and the adjoining buildings historic Cambridge Landmarks on September 8<sup>th</sup>. Unfortunately, I will be traveling for work on that day. However, Lisa Salvi (on copy), a longtime friend of David Castanheira has agreed to appear in my place. She has also collected additional signatures to show support for the petition. Please see them in the attached PDF.

First opened in 1965, The Sunset Café has long been a cornerstone of the community in Cambridge. The restaurant was opened by Fernando Castanheira and passed to his two sons, Freddie and David, upon his passing in 1992. In 2005, the corner of Cambridge Street and Hunting Street – the location of The Sunset Café and adjoining buildings, was dedicated to Fernando Castanheira:

Unfortunately, both Freddie and David have now passed. We believe, that there is an imminent threat to the building and are working diligently to have this landmark preserved. Additionally, the buildings at 851, 855 and 857 Cambridge Street represent some of the original buildings on Cambridge Street. They should not be allowed to be significantly changed or replaced with new buildings that do not preserve the original character of the neighborhood.

Thank you kindly for your consideration of this matter.

Warm regards,

Meridith
