CONCORD AVE NEIGHBORHOOD
CONSTRUCTION KICK-OFF OPEN HOUSE

Dear Neighbor,

As part of the on-going efforts to improve the water quality in the Alewife Brook, the City of Cambridge will be upgrading utilities and reconstructing streets and sidewalks in your neighborhood. *Construction of the Concord Ave Neighborhood is anticipated to begin in Spring 2014.*

To thank you for your continued patience during this process, we would like to inform you of an upcoming meeting, with pizza and light refreshments to be provided. This meeting will be an open house format, where residents can stop by any time, to review the design plans for their streets, and speak to the design team directly about any questions or concerns they may have.
