
Cambridge Common / Flagstaff Park Reconstruction
PUBLIC MEETING

The conceptual design for the rehabilitation of the Cambridge Common and the addition of a multi-use path in Flagstaff Park is complete.
Please come to the meeting to let us know what you think!

Thursday June 9th, 2011 at 7:00 PM

13 Appian Way, Longfellow Building at Harvard Education School -
Askwith Auditorium, 1st floor.

Plans will be available for viewing beginning at 6:30 PM.

The project includes the re-paving of all pathways, new benches, trash cans, additional lighting, many new trees and grass, playing fields and irrigation. Also included is the addition of a two-way multi-use path across the street through Flagstaff Park.

Please see the project webpage with background and plans for the Common and Flagstaff Park at: http://www2.cambridgema.gov/common. For questions and comments, please contact Bill Deignan at the City of Cambridge Community Development Department by e-mail: wdeignan@cambridgema.gov or by phone at 617-349-4632, TTY (617) 349- 4621.

Additional Assistance
The City of Cambridge Community Development Department does not discriminate on the basis of disability. Community Development will provide auxiliary aids and services, written materials in alternative format, and reasonable modifications in policies upon request.
