

**MEACHAM ROAD, SHEA ROAD, WOODBRIDGE STREET AND LOCKE STREET
COMMUNITY MEETING
December 14, 2011**

MEETING NOTES

Recorded by Juan Avendano

GENERAL CONCERNS/NEEDS

- More trees where possible
- Weeds from trees on sidewalks
- Drainage should be improved (at driveways, etc)
- Plowing corners and ramps

Intersections of Massachusetts Avenue with Meacham Road, Woodbridge Street, Shea Street

- Need for additional residential on street parking
- Difficult to navigate through the intersections - Vehicles block the intersections

WOODBIDGE STREET

(By 15 Woodbridge)

- Tree - Sidewalk/Driveway surface material concerns

(By 24-26 Woodbridge) - Curb extension/ on street parking eliminated

- Utility poles
- Tree diseased – re move
- Utilities Underground
- 24-26 Woodbury on Locke
 - D/W needs to be detailed

Corner of Locke and Woodbridge - Turning concerns

MEACHAM ROAD

- Doesn't get cleared of snow
- Add CB drain
- Add trees
- More trees on Meacham
- Don't want to lose parking – need for residential parking
- Need for striping to clarify traffic

(By 11-11A Meacham Road)

- Check width of sidewalk
- Maples weeds (11 Meacham)

(By 20-24 Meacham Road)

- Need more drainage structures - More CB

(By 26 Meacham Road)

- Add wrong way/ Stop – can't make left turn - can't see
- Clarify who has the right of way
- Pull the accident data

Add stop on Meacham at Orchard in Somerville

Meacham Rd, Locke Street – make it a one way
(By 11/11A Meacham Road)

- Bottoming out at driveways
- Roof drain going to sanitary sewer – sewer separation
- Gas valves abandoned – remove
- Speeding
- Only one catch basin on Meacham Road
- Can curb cut be smaller and plant trees – buffer between parking and residential

Corner Massachusetts Avenue and Meacham

- Parking too close to corner

LOCKE STREET

Corner of Locke and Shea Road

- Road end signage unclear
- @ 45 Locke drain away from #49 Locke or add a Catch Basin

Corner of Locke and Shea (#35 Shea Road) – Confirm that drainage is working

Corner of Locke and Shea Road - #36 Shea – check utility???

Corner of Locke and Meacham

- Poor sight distance

SHEA ROAD

- Speeding

(By 12-14 Shea Road)

- French drain connected to sewer system – smells

Corner Locke and Woodbridge (#23 Woodbridge)

- No Catch basin on this side of Locke

(By 20-22 Shea Road)

- Long way to catch basin @ driveway

(By 17 Shea Road)

- Low spot – make sure it drains
- New tree
- Make straight

TREE ISSUES

Corner Locke & Woodbridge

- 24-26 Woodbridge
 - Pear tree mitigation
 - Bad shape – remove it

(By 28-30 Shea Road)

- Tree infected – one or the other

(By 11 - 11A Meacham Road)

- Check sidewalk width

(By 24 Meacham Road)

- Tree Diseased
