

CITY OF CAMBRIDGE

TRAFFIC, PARKING, + TRANSPORTATION

WE'RE ADDING METERS AROUND INMAN SQUARE.

Inman Square construction is scheduled to begin soon. In the next few weeks, the Traffic, Parking, and Transportation Department will install new meters to provide additional short-term parking during the construction period.

We've provided a map of the metered parking on the back of this flyer.

INMAN SQUARE INTERSECTIONS IMPROVEMENT PROJECT - METERED PARKING MAP

We're adding **temporary metered parking** spaces to help alleviate parking concerns during construction. The map shows temporary and existing parking spaces in the area. The availability of parking spaces in the construction zone will be subject to change based on daily construction activities.
