

CITY OF CAMBRIDGE

Shepard Street Reconstruction Project On-Site Community Walk

**Tuesday, May 14
From 5 - 7 p.m.**

Shepard St. from Garden St. to Mass Ave. is scheduled for reconstruction in 2024 as part of the City's Five-Year Plan for Sidewalk and Street Reconstruction.

The Department of Public Works and the City's Community Development Department will be hosting an on-site walk **Tuesday, May 14 from 5-7 p.m.** Anyone interested in attending can meet project staff at the **intersection of Shepard St. and Garden St.**

To help you prepare for the meeting, we have posted a video presentation on the project page at www.cambridgema.gov/Departments/publicworks/cityprojects/2024/shepardstreconstructionproject. We encourage all residents and businesses to watch this video prior to the May 14 meeting.

We are in the design phase of the project and City staff would like to meet residents and walk the street to identify and discuss issues of concern. If you are unable to attend the site walk, please share your feedback by completing this brief survey: <https://www.surveymonkey.com/r/shepardstreet>
