## **PARK & STREET DESIGN OPEN HOUSE**

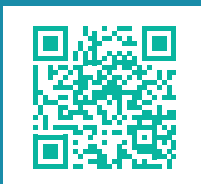

**Thursday, November 9 | 5:30-8pm**

**Community Art Center | 119 Windsor St., Cambridge**

The Cambridge Department of Public Works invites you to attend our open house to learn about the Port Infrastructure Improvements Project and see the updated designs of streets and Clement Morgan Park.

The evening includes presentations, a chance to engage with project staff and plans, free pizza, kids' activities, and more. Also, learn about the City's stormwater management program and how you can become a stormwater steward.

Questions or comments may be directed to: **Jerry Friedman, Supervising Engineer, DPW,**
